### CITY COUNCIL AGENDA ITEM

#### **ACTION REQUESTED:**

Approve the award of Option Year One to Contract 17-133, Land Surveying Services, to Christopher B. Burke Engineering, Engineering Resource Associates, Farnsworth Group, Hampton, Lenzini and Renwick, Inc., Ridgeline Consultants and Robinson Engineering for an amount not to exceed \$110,000

**DEPARTMENT:** Transportation, Engineering and Development

**SUBMITTED BY:** William J. Novack, Director

#### **BOARD/COMMISSION REVIEW:**

N/A

#### **BACKGROUND:**

In 2017, the City of Naperville completed a Request for Qualifications (RFQ 17-133) to shortlist engineering firms to perform land surveying services on an as needed basis for a variety of City projects. Six consultants were short-listed as a result of this process and each firm executed its own Master Service Agreement with the City. The awarded consultants include:

Christopher B. Burke Engineering, Ltd.  
Engineering Resource Associates  
Farnsworth Group  
Hampton, Lenzini and Renwick, Inc.  
Ridgeline Consultants

## Robinson Engineering

When surveying work is required for a project, the department requests quotes from all six vendors and issues an amendment to the MSA with the vendor that submits the lowest cost for the project.

### **DISCUSSION:**

During the original term of the agreement, the TED Business Group, Water Utilities and Electric Utility used the shortlisted consultants to assist with 27 survey related tasks for projects throughout the City including Cress Creek subdivision, various substation locations and the Bailey/Naper subdivision.

Based upon the vendors' performance, the departments would like to extend the contract for the first option year. The six shortlisted consultants have agreed to maintain the rates and terms provided for under each Master Agreement.

The RFQ provided for three one-year options to extend. The term of the first option year is January 23, 2020 to January 22, 2021, with two, one-year options remaining.

### **FISCAL IMPACT:**

CIP #: WU004, WW006, EU002, EU003, EU006, EU012, EU052

Land surveying services are expensed to the various accounts listed below. These services are also related to several CIP projects within both the Electric and Water Utility and are expensed within individual project budgets. There is also \$10,000 budgeted for this expense within the General Fund. The requested award is within the budgeted amount for this expense.

Account Number	Fund Description	Total Budget Amount
30281100-531301	General Fund	\$109,000
40251300-551502	Electric Utility	\$12,982,000
41251500-551502	Water Utility	\$23,395,000
12101100-531307	General Fund	\$20,000
