### CITY COUNCIL AGENDA ITEM

#### **ACTION REQUESTED:**

Approve the award of Bid 21-241, Excavation and Underground Utility Repairs, to Baish Excavating, Inc., IHC Construction Companies, LLC and Unique Plumbing Company for an amount not to exceed \$213,572, plus a 5% contingency

**DEPARTMENT:** Water Utilities

**SUBMITTED BY:** Darrell Blenniss, Director

#### **BOARD/COMMISSION REVIEW:**

N/A

#### **BACKGROUND:**

The Water Utilities issued Bid 21-241, seeking a contractor to supplement and/or assist City crews during emergencies, when work exceeds the capacity of the City crews, or when work requires specialized equipment or expertise beyond the capabilities of City crews. The work performed under this contract includes installation, replacement, repair and relocation of water and sewer main segments, sanitary sewer manholes, valves, vaults, and service laterals. Work will be assigned to the contractor on an as-needed basis.

The Water Utilities maintains contracts with three construction firms. If the primary contractor (lowest responsive bidder) does not have crews available for work, the Water Utilities staff will reach out to the secondary contractor and the tertiary contractor to provide the services.

**FISCAL IMPACT:**

CIP: N/A

The use of excavation services for water and wastewater projects are expensed to the Operational Services and Infrastructure accounts listed below. Because services are used on an as-needed basis, costs are budgeted project by project. Staff will monitor the Water Fund throughout the year to ensure compliance with the approved budget.

Account Number	Fund Description	Total Budget Amount
41251540-531308	Water and Wastewater	\$268,000
41251500-551502	Water and Wastewater	\$26,743,950
