CITY MANAGER AUTHORITY PROCUREMENT AWARDS

ACTION REQUESTED:

Approve the award of Change Order #1 to Contract 21-054, Inclusionary Zoning Ordinance Advisory Services, to SB Friedman for an amount not to exceed \$30,000 and a total award of \$70,000.

DEPARTMENT: Transportation, Engineering and Development

SUBMITTED BY: William J. Novack, Director

BACKGROUND:

The City Council awarded Contract 21-054 to SB Friedman on February 16, 2021 for an amount not to exceed \$40,000. The purpose of this contract was to undertake research and create an Inclusionary Zoning Ordinance (IZO).

DISCUSSION:

The City Council held a workshop in June 2021 at which SB Friedman presented a potential inclusionary zoning ordinance framework. Based on City Council feedback and direction at this workshop, SB Friedman was required to undertake additional research to develop an alternative program which was then discussed with the Council through virtual 2 x 2 meetings and later presented at a November 2021 City Council meeting. The additional work was not anticipated in the original contract, thereby resulting in the expenditure of all remaining contract funds prior to completion of the actual affordable housing program. This change order is requested to finalize the creation of the voluntary affordable housing program, as directed by the City Council, including financial modeling and the development of an ordinance for presentation to two boards and commissions, as detailed below:
