BACKGROUND:

The St. Paddy's Day 5K will be held prior to the St. Patrick's Day Parade on Saturday, March 10, 2018. The run will begin at approximately 8:00 a.m. and is anticipated to draw an estimated 3,000 participants. The parade will begin at approximately 10:00 a.m. Both organizations are requesting an amplifier permit beginning at 7:00 a.m.

DISCUSSION:

The events are coordinated and both utilize much of the same route as depicted on the attached map. The map also includes the proposed temporary traffic control information.

The run will require temporary street closures beginning at approximately 7:15 a.m. and will be immediately followed by the parade at 10:00 a.m. The run and parade routes *only* will be posted No Parking/Tow Zone from 5:00 a.m. to 11:30 a.m. All streets will reopen and signage removed by 11:30 a.m. or as deemed appropriate by the Naperville Police Department based on public safety. The ordinance for the list of temporary road closures and No Parking/Tow Zone regulations is attached.

Staff will post informational signs along the route beginning Monday, March 5 and members of the Rotary Club and West Suburban Irish will provide notification to the downtown business owners and residents affected by the event. Information regarding the route and traffic control plans will be available on both the organizer's and City's websites. All insurance requirements will be fulfilled prior to the issuance of both Special Event permits.

FISCAL IMPACT:

The West Suburban Irish received \$17,905 in SECA grant funding and the Rotary Club of Naperville Sunrise was awarded \$7,729 for the St. Paddy's 5K Run. Any City service costs in excess of the grant fund will be billed to the organizers.
