CITY COUNCIL AGENDA ITEM**ACTION REQUESTED:**

Approve the award of the two-year extension to Contract 16-128, Health Screening Services, to Edward Hospital for an amount not to exceed \$458,180

DEPARTMENT: Human Resources

SUBMITTED BY: James Sheehan, Director

BOARD/COMMISSION REVIEW:

N/A

BACKGROUND:

On January 5, 2016, City Council approved the award of Contract 16-128 to Edward Hospital for a three-year term with one, two-year option to extend. The contract includes the following services:

- Annual physicals for its sworn police and fire personnel;
- Pre-employment physicals, including drug and alcohol screens, given on a post-offer basis to all prospective employees, including sworn police and fire personnel
- Functional physical assessments for employees on disability; and
- Random drug and alcohol testing for safety-sensitive positions requiring a Commercial Driver's License (CDL).

These services are necessary to ensure prospective employees are healthy and able to carry out their required job functions; police and fire personnel are healthy and fit to continue to carry out their required job functions; employees on disability are evaluated and assessed related to their physical status and ability to return to work; and employees requiring a CDL are drug and alcohol free and the City complies with the Department of Transportation regulations.

DISCUSSION:

Edward is conveniently located and provided excellent service for the three years of the original award. Edward agreed to renew the contract for first and final two-year extension. Staff negotiated a zero-percent increase for the services provided by Edward during the two-year extension.

This award is a unit-price contract with expenditures dependent on the actual services performed. Based on an estimate of 35 pre-employment physicals for Police and Fire employees, 120 pre-employment physicals for non-sworn municipal employees, 250 annual physicals for sworn police and fire personnel, 120 pre-employment drug and alcohol screens, 60 random drug screens for CDL drivers and 20 functional physical assessments in calendar year 2019 and 2020, respectively, costs are estimated at \$229,090 for each year.

The term of the extension is January 1, 2019 through December 31, 2020, with no extensions remaining.

FISCAL IMPACT:

CIP #: NA

Health screening and fitness for duty services and physicals are expensed to the HR services accounts listed below. A total of \$229,090 is budgeted for various screening expenses in 2019. The requested award is within budget.
