DISCUSSION:

2019 Event Overview

Event representatives from the Exchange Club have been meeting monthly with the Special Events Team, including representatives from the Naperville Park District, Edward Hospital, and the DNA, to coordinate event logistics and plan for a safe event.

The Exchange Club is responsible for notifying residents in and around Knoch Park no less than two weeks prior to the event. City staff provides addresses to the Exchange Club for residents that may be affected.

Ribfest 2019 will utilize the expanded footprint, first approved in 2010, that incorporates the north and south portions of Knoch Park. The event will feature one main stage in the north park with a smaller entertainment stage in the south park. The carnival and family area will once again be located in the south park.

Ticketing:

Date-specific tickets will be sold online. The Exchange Club has partnered with the Naperville Fire Department to determine park capacity and will not exceed a specified number of tickets per day.

Weather permitting, the fireworks display will be held on opening night Thursday, July 4 with Friday, July 5 set as the rain date. Admission is free to the public after 5:00 p.m. on the date of the fireworks.

Accessibility Plan:

A link to the Exchange Club website will be provided on the City's website showing the plan.

Traffic Control and Street Closures:

Maps depicting temporary road closures, No Parking/Tow Zones, and turn restrictions are attached. Restrictions regarding designated streets surrounding Ribfest are listed on the attached ordinance.

All insurance requirements will be met prior to the event.

FISCAL IMPACT:

The Exchange Club of Naperville has been approved for \$227,000 in SECA Grant Funds to cover the cost of City services required to support the event. Any City services in excess of the grant fund allocation will be billed to the event organizer.
